

RED LIGHT RELAY: CONNECTING WEST HALL TO FULTON STREET

APRIL 20th 2004 9 P.M.

8:10 Dress rehearsal –
Carrie will ring siren 3 times, You may not hear it, But a few minutes before 8:10, please be set up at your window, or in your places, and watch the corresponding window.

*We are going to turn the lights on 3 instead of 4 (If I told you 4, forget that!)

When you see the corresponding light before yours;
1 (one thousand) 2 (one thousand) your light ON!
Then watch for the light across the street after yours,
When they turn their's on, Turn your off!
No matter what don't turn yours off until their's turns on!!,
(As you are passing the signal to them!)

When you turn your off, turn on your yellow light. Keep the yellow light on for a couple of minutes...Then the rehearsal is done!

8:55 IF you HAVE a Video Camera The TAPE should be in and IT Should Be on and RECORDING!!, (flip the switch down one to 'camera' position <from "off">) Look on the screen it should say **record** or **REC**.

9 - 9:03 CHURCH BELLS CHIME for 3 minutes! West Hall goes Dark!
IS you camera recording?
Get to your windows!! Concentrate! Focus on your corresponding neighbor who will send you the signal! Wave! (hi neighbor!)

9:03 Church bells pause then toll 3 times. This is the beginning!
West hall goes **RED**.

When Atrium turns red its over! Come for cake!

RECAP:

8:55 **Cameras on /Record**

9:00 Church bells ring – check camera! Get to window!

Watch the neighbor before you
When their light turns on:
1 (one thousand) 2 (one thousand), turn your light ON

**Watch for the next light to turn on,
Turn your Red off, Yellow on!**

Leave camera recording. **Come for cake!**

* Carrie Dashow
